

NAVIGATE THE DETAILS OF A FUNCTIONING PAYMENT FACILITATOR

FINTECH 513 PPaaS (PAYMENTS PERSON AS A SERVICE)

You've made the journey to become a payment facilitator. Continue to operate smoothly as you encounter first-time issues that, if left unattended, could hinder your success as a payment facilitator.

Fintech 513's PPaaS Program ensures that you have a payments expert available at a moment's notice to help you solve the issues your organization may encounter as a payment facilitator.

Navigate Challenges With Ease

PPaaS is a resource that provides the necessary payments expertise, guidance and strategy for the following facets of operating as a payment facilitator:

INDUSTRY NEWS & POLICY UPDATES

- + Acquirer, card company or industry policy updates
- + General payment questions

OPTIMIZING YOUR OPERATIONAL COSTS

- + Managing acquirer relationships and transfer agreements
- + Optimize and negotiate best interchange and processor costs
- + Evaluate new MCC opportunities for cost, revenue and risk
- + Vendor recommendations to make operational processes more efficient

OPTIMIZING YOUR SUB MERCHANT SUPPORT

- + Strategic sales council to win and support large sub merchants
- + Guidance for sub merchant and card holder issues
- + Guidance for unique charge-back disputes

This program provides access to the entire suite of Fintech 513 experts. You also join a community of payment facilitators to share best practices and ask questions from your peers.
